2009-2016 National Advisory Committee (NAC)

*San Francisco Surgical Society*

1987-1992 Secretary-Treasurer  
1992-1993 President

*Seattle Surgical Society*

2012-2013 President Elect  
2013-2014 President  
2012-2013 Chair, Membership Committee

*Society of American Gastrointestinal Endoscopic Surgery (SAGES)*

1999-2002 Board Member

*Society for Surgery of The Alimentary Tract*

1985-1989 Membership Committee  
1994-2000 Board of Trustees  
1994-1998 Education Committee  
1994-1998 Chairman  
1998-1999 President-Elect  
1999-2000 President  
2000-2001 Chairman, Board of Trustees

*Society of Surgical Chairs*

2004-2005 Councilor at Large  
2005-2006 Secretary-Treasurer  
2006-2007 Vice President  
2007-2008 President

*Surgicon*

2011-2015 Advisor

*United States Army Medical Advisory Board*

2013-2015 Member, Seattle Advisory Board

*Washington State Hospital Association*

2017- Member, Patient Safety Committee

**Editorial Appointment:**

**Editorial Reviewer:**

1980 *Gastroenterology*  
1982 *Digestive Disease and Science*  
1983 *Journal of Surgical Research*  
1987 *Archives of Surgery*  
1988 *American Journal of Gastroenterology*

**Editorial Board Member:**

1993-2006 *Journal of Laparoendoscopic Surgery and Advanced Surgical Techniques*  
1996 *Journal of Gastrointestinal Surgery*  
1997-2015 *Surgery*

1998	<i>Diseases of the Esophagus</i>
2000	<i>Annals of Surgery</i>
2000	<i>Medscape Gastroenterology</i>
2001	<i>Cirujano General</i>
<b><u>Guest Editor:</u></b>	
1992	<i>Postgraduate Surgery</i> , March, 1992, Editor
1997	<i>Current Surgery</i> , November/December, 1997, Guest Editor

---

**NAMED VISITING PROFESSORSHIPS & INVITED LECTURES (SINCE 2000)**

- 2000 Armanini Professorship, San Jose Surgical Association, San Jose, CA
- 2000 J. Murray Beardsley Surgeon-in-Chief Pro Temopre, Brown Universtiy School of Medicine, Providence, RI
- 2000 University of Illinois at Chicago, Chicago, IL
- 2000 East Carolina University, Greenville, NC
- 2000 C. Thomas Bombeck Memorial Lecturer, University of Illinois at Chicago, Chicago, IL
- 2001 Steven J. Moses Memorial Lecture, Good Samaritan Hospital
- 2001 Edward Pierson Richardson Memorial Lectureship, Massachusetts General Hospital, Boston, MA
- 2001 L. W. Edwards Lectureship in Surgery, Vanderbilt University, Nashville, TN
- 2002 Waltman and Phoebe Walters Lecturer and Visiting Professor in Surgery, Mayo Clinic Hospital and Mayo Clinic, Scottsdale, AZ
- 2002 George E. Block Memorial Lecture, University of Chicago, Chicago, IL
- 2002 Chung-Ang University of Medical Science, Seoul, Korea.
- 2003 Thirty-first Annual Ellison Lecture, Medical College of Wisconsin, Milwaukee, WI
- 2003 Kredel/Springs Visiting Professor of Surgery, Medical University of South Carolina, Charleston, SC
- 2003 Allegheny General Hospital, Pittsburgh, PA
- 2003 University of Rome, Italy
- 2003 University of South Florida, Tampa, FL
- 2003 University of Texas Southwestern Medical Center, Dallas, TX
- 2003 University of Maryland School of Medicine, Baltimore, MD
- 2004 Emmett Frazer Lecture, University of South Alabama, Mobile, AL
- 2004 Richard Serwell Lecture, Association of Academic Surgical Administrators (AASA) Seattle, WA
- 2004 Francis D. Moore Visiting Professor, Brigham and Women's Hospital, Boston, MA
- 2004 University of California at Los Angeles, Los Angeles, CA
- 2005 Folkert O. Belzer Visiting Professor, University of Wisconsin, Madison, WI
- 2005 Loyal Davis Lecture, Northwestern University, Chicago, IL
- 2005 Folse - Birtch Visiting Professor, Southern Illinois University School of Medicine, Springfield, IL
- 2005 University of New Mexico, Albuquerque, NM
- 2006 Cushing Professorship, Northshore University Hospital/Long Island Jewish Medical Center, New Hyde Park, NY
- 2006 Liu Lecture, Oregon Health Sciences University, Portland, OR
- 2006 St. Louis University School of Medicine, St. Louis, MO
- 2007 Seybold Lectureship, Houston TX
- 2007 University of Utah, Salt Lake City, UT
- 2007 Eastern Virginia Medical School, Norfolk, VA
- 2007 University of Iowa, Iowa City, IA
- 2007 Peter Crossgrove Lecturer, Toronto General Hospital, Toronto, ON
- 2008 Methodist Hospital, Houston, TX
- 2008 Swan Visiting Professor, University of Colorado, Denver, CO
- 2008 The Jesseph Lecture, Indiana Univeristy, Indianapolis, IN
- 2008 The Asa Yancy Lecture, Society of Black Academic Surgeons, Cleveland, OH
- 2008 Washington University, St. Louis, MO
- 2008 Surgery Grand Rounds, University of Minnesota, Minneapolis, MN
- 2009 Nicholas A. Halasz Memorial Lecture, UCSD Medical Center, San Diego, CA

- 2009 Emile Holman Lecture, Stanford University, Palo Alto, CA
- 2009 Inaugural Dudley P. Allen Lecture on Surgical Research, University Hospitals, Case Medical Center, Cleveland, OH
- 2009 H. Thomas G. Williams Lecture, Canadian Surgery Forum, Victoria, BC
- 2009 The Seymour Schwartz, M.D. Lecture, University of Rochester, Rochester, NY
- 2010 39<sup>th</sup> Behrend Visiting Professor of Surgery, Albert Einstein Med. Center, Philadelphia, PA
- 2010 11<sup>th</sup> Steinberg-Bernstein Visiting Professor, McGill University, Montreal, QC, Canada
- 2011 38<sup>th</sup> Annual William F. Rienhoff, Jr. Lecture, Johns Hopkins University, Baltimore, MD
- 2012 Layton F. Ridders Visiting Professor in Education, University of Wisconsin, Madison, WI
- 2012 1<sup>st</sup> Philip E. Donahue Keynote Speaker at the 5th Annual Olga Jonasson Symposium, University of Illinois at Chicago, Chicago, IL
- 2013 Stahler-Rex Lecture, Lehigh Valley Health Network, Allentown, PA
- 2013 38<sup>th</sup> Robert M. Zollinger Visiting Professor, The Ohio State University, Columbus, OH
- 2013 Margarét Oddsdóttir Memorial Lecture, Yale School of Medicine, New Haven, CT
- 2013 Naffzinger Lecture, Naffzinger Society, San Francisco, CA
- 2013 The Gallie Surgical Lecturer for the Year, Royal College of Surgeons of Canada, Canadian Surgery Forum, Ottawa, ON, Canada
- 2013 Presidential Address, American College of Surgeons Clinical Congress, Washington, DC
- 2014 Charles H. Mayo Lecture, Northwestern University, Chicago, IL
- 2014 73<sup>rd</sup> Annual Sommer Memorial Lecture, Oregon Health Sciences University, Portland, OR
- 2014 53<sup>rd</sup> Donald Church Balfour Visiting Professor of Surgery, Mayo Clinic, Rochester, MN
- 2016 John J. Conley Ethics and Philosophy Lecture, American College of Surgeons Clinical Congress, Washington, DC
- 2018 Alton Ochsner Visiting Professor, Tulane University School of Medicine, New Orleans, LA.

**FUNDING OF RESEARCH ACTIVITIES:**

- 1980 The Effects of Obstruction on Gallbladder Function  
(Principal Investigator)  
University of California, Research Evaluation and Allocation Committee  
Grant MSC #72  
Award: \$5,500
- 1980 Effects of Cystic Duct Obstruction on Gallbladder Mucosal Function  
(Principal Investigator)  
Research Advisor Group (Veterans Administration)  
Award: \$10,000
- 1981 Gallbladder: Function and Obstruction of the Cystic Duct  
(Principal Investigator)  
Merit Review Board (Veterans Administration)  
Award: \$75,000 (three years)
- 1984 Biliary Kinetics and its Role in the Development of Gallstones  
(Principal Investigator)  
Merit Review Board (Veterans Administration)  
Award: \$98,107 (three years, extended to four)
- 1985 A Cholescintigraphic Study of Biliary Kinetics  
(Principal Investigator)  
University of California, Academic Senate, Committee on Research  
Award: \$5,600
- 1988 Biliary Motility and Regulatory Mechanisms of Bile Flow  
(Principal Investigator)  
University of California, Academic Senate, Committee on Research  
Award: \$6,300
- 1988 Research Training in Gastroenterology  
(Faculty)  
NIH 1 T32 DK 07573-01  
Award: \$600,000
- 1990 A Double-Blind, Placebo-Controlled, Crossover Study to Compare the Efficacy of  
Intravenous Cimetidine, Famotidine and Ranitidine on the Suppression of Gastric Acidity  
in Healthy Adult Volunteers  
(Principal Investigator)  
SmithKline Beecham Pharmaceuticals  
Award: \$145,000
- 1990 Regulation of Gastric Pancreatic Secretion  
(Principal Investigator)  
Parke-Davis  
Award: \$35,000

- 1992 The Effect of pH on Lower Esophageal Sphincter Pressure  
(Principal Investigator)  
University of California, San Francisco  
Research Evaluation and Allocation Committee  
Award: \$13,850
- 1992 Laparoscopic Nissen Fundoplication: Is Stapling the Future?  
(Principal Investigator)  
Auto Suture Company  
Award: \$37,000
- 1994 Center for Videoendoscopic Surgery  
Department of Surgery, University of Washington  
Research and development of new MIS techniques and instrumentation; training opportunities for residents, fellows, and visiting scientists  
United States Surgical Corporation  
Award: \$2.7 million (5 years)
- 1995 GI Function Laboratory  
Department of Surgery, University of Washington  
Dedicated center for diagnosis and pre/post-surgical evaluation of esophageal motility and dysfunction  
University of Washington Medical Center  
Award: \$250,000 (equipment) and \$88,131/year operational support (5 years)
- 2008 Institute for Surgical and Interventional Simulation (ISIS)  
(Principal Investigator)  
Program: BAA08-1 (US Army Medical Research and Material Command)  
\$4.4 million
- 2009 American College of Surgeons – MMVR Combined Update of Medical Modeling and Simulation  
(Principal Investigator)  
Work session focusing on how to formally collaborate between DoD and ACS in areas of interest  
\$20,000
- 2009 National Implementation of Team STEPPS  
American Institutes for Research  
(Principal Investigator)  
Training, Measurement and evaluations of other health organizations receiving TeamSTEPPS training at the University of Washington  
\$120,000

- 2010 Institute for Simulation and Interprofessional Studies (ISIS) 4/2010 thru 3/2012  
US Army Medical Research and Materiel Command (USAMRMC)  
Chair, ISIS Board of Directors  
For the development of educational projects within the realms of distributive learning, individual healthcare, and team training with both military and civilian applications  
\$3,852,000
- 2011 Institute for Simulation and Interprofessional Studies (ISIS) 4/2012 thru 3/2014  
US Army Medical Research and Materiel Command (USAMRMC)  
Chair, ISIS Board of Directors  
For the development of educational projects within the realms of distributive learning, individual healthcare, and team training with both military and civilian applications  
\$3,504,000
- 2013 Treatment of Idiopathic Pulmonary Fibrosis with Laparoscopic Anti-Reflux Surgery: A Phase II Clinical Trial  
National Heart Lung and Blood Institute, NIH  
To demonstrate slowed decline of forced vital capacity (FVC) through fundoplication compared with standard care.  
\$4,000,000
